Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On the above date and time, I was assigned to work segregation. I had been helping Lt. Proctor with fingerprints. I yelled for laundry, so he could get a set of stripes for a change out. I didn’t receive a response and assumed he was on the main run, picking up towels. I went into laundry and got a set of stripes out of the bins. Shortly thereafter, I walked back into laundry to get a set of black slides. That is when I found I/M Corbell, Toby handing from the shelving until, with a pair of “long johns” tied around his neck and tied to the shelving unit. I called for Lt. Proctor over the radio, to come to laundry. Immediately afterwards, I yelled for Lt. Proctor, because I wasn’t sure if the radio call went through. Lt. Proctor responded and was followed shortly by Officer Carmichael. Lt. Proctor, Officer Carmichael and myself lifted I/M Corbell to relieve tension in the “long johns” so he could be cut down. After I cut the “long johns”, we set him gently on the ground and Lt. Proctor and myself immediately began CPR, while Officer Carmichael retrieved the AED. Lt. Proctor and I continued CPR until Deputies Knight and Wilken arrived. They took over the CPR procedures while myself and Officer Carmichael prepared the AED. Deputy Knight attached the AED pads to I/M Corbell. I stepped back out of the way and let Deputies Wilken and Knight continued with the life saving measures. I returned to the booking area. After the paramedics arrived, I was informed that I would be riding to the hospital with the ambulance. I waited until the medics were ready to go and I retrieved my weapon from my gun box and loaded up in the ambulance. The ambulance arrived at the hospital at approx. 0456. The medical staff continued lifesaving procedures until he was pronounced dead at 0503. I stayed at the hospital until I was relieved by Sheriff Deeds, to return to the Jail.
