Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Officers heard over the radio that the suspect had just pulled out a gun on a person. The Officers, patrolling on bicycles downtown, proceeded to pedal in that direction. While in route, they came in contact with the

person who called the police. He pointed in the direction of where the suspect with a gun was, giving a clothing description. Officers pedaled to the suspect matching the description given by the person who called police. The suspect was standing at a bus stop. As the two officers contacted the suspect, he took a bladed stance. The suspect had his right hand wrapped in a shirt. One of the officers pulled out his Taser giving the suspect verbal commands. The suspect did not comply with the verbal commands and raised the right hand towards the other officer. The officer with the Taser fired at the suspect. The suspect ran into the street. While in the street, the suspect grabbed the item concealed in the shirt and pulled back on the item. The suspect then raised his right hand, still wrapped in the shirt, pointed it at the other officer and fired one shot. Officers returned fire, fatally wounding the suspect.
