Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

San Antonio Police Officers responded to Target (746 NW Loop 410) for a robbery in progress. While in route officers were notified of the suspects direction of flight after displaying a knife to Target staff. Target staff called 911 and reported the suspect fled on a stolen bicycle armed with a knife. The Robbery occurred at 1802 hours (6:02PM) and in the middle of rush hour. As officers began to arrive on scene the suspect in an effort to evade arrest got on the freeway while riding the stolen bicycle.

Officers drove around the suspect in an effort to stop him. Officers exited their patrol vehicles and attempted to take the suspect into custody. The suspect did not stop or comply forcing officers to physically stop him. Officers forced the suspect off the stolen bicycle and attempted to take him into custody in the middle of the freeway.

The suspect resisted arrest and began to swing a knife in the direction of officers. Two officers were cut by the suspect forcing one to draw his weapon. The officer fearing for his safety and the safety of other officers fired his weapon at the suspect. The suspect was struck and stopped resisting arrest. The suspect was then taken into custody. The shooting was captured on video with the officers body camera system and patrol vehicle mounted systems. Members of The Department of Public Safety also provided video evidence from one of their helicopter units.

EMS was requested to the scene for the injured officers and the suspect. The suspect was pronounced deceased at the scene and officers were taken to the hospital for treatment. The injured officers survived their injuries.
