## Summary of Incident

### Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Officers responded to 7328 S. Glenn Street after receiving an emergency phone call to 911, from the complainant, reporting that someone was breaking into their home. The complainant disconnected from the call after a short time. A subsequent phone call to 911, by a new complainant, but related to the same incident, reported that the suspect was a known person and was the complainant's cousin. The complainant advised the suspect possessed a knife and was chasing the complainant and other occupants of the residence down the street. During the call, the complainant advised the suspect had previously assaulted her and other parties at the location. The complainant advised the suspect was intoxicated and upset over something that occurred in the past. Responding officers met with the two 911 complainants at the

intersection of Autumn Bay/Aspen Glen. While at this location, two officers on-scene determined that the reported suspect was back inside of the residence located at 7328 S. Glenn Street. The officers also determined that another resident of the home was in the residence as well. The two officers went to the residence to check on the welfare of the occupants of home due to the assaultive behavior that was reported by the complainants. At the front door of the residence, officers made contact with a female resident and had her come outside. Officers then entered the residence in order to locate the reported suspect, and to check on the welfare of any other occupants inside. While checking the lower level of the two-story residence, the officers verbally announced their presence as they looked for other occupants. In the kitchen area of the residence, the two officers encountered a Hispanic female armed with a knife walking in their direction. One of the officers ordered the female to drop the knife as he moved in a backwards direction. The female did not drop the knife and continued to move in the direction of the officer. The officer then discharged his handgun multiple times striking the female. The female fell to the ground. Officers immediately summoned EMS via radio and began attempting life saving measures. Emergency medical professionals pronounced the female deceased, while on the scene, at 3:00am.
