Attempt gain possession officer's weapon:	No		

Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:	No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 3/4/2019 at approximately 1358 hours, a call was received for a shooting in progress on Iowa Street at Spruce Street. When officers arrived, they discovered an aggravated robbery had taken place with a victim being shot in the leg. A description of the suspect vehicle was obtained and broadcasted to other officers. The suspect vehicle was described as a small black car occupied by a female, male, and small child. A patrol unit with uniformed police officers using call sign 7780 began assisting with the search for the suspect vehicle and encountered it on New Braunfels near I-10. 7780 followed the suspect vehicle which was a black Honda Civic. 7780 found there was a BOLO for a female robbery suspect attached to the license plate on the black Honda Civic when it was checked on TLETS. 7780 believed the black Honda Civic was the suspect vehicle in the aggravated robbery so they activated their emergency lights to initiate a felony stop. The black Honda Civic appeared to be evading but abruptly stopped when it reached the intersection of 1500 S. Olive at 400 Westfall Ave. 7780 had notified the dispatcher and requested helicopter support. The police helicopter was

overhead when the suspect vehicle stopped. 7780 saw the front seat passenger exiting the suspect vehicle so they began to exit their patrol vehicle. The person who exited the suspect vehicle was later identified as the listed decedent. The decedent took a few steps then began shooting at the officers. Fearing for their lives and believing there were other people inside the suspect vehicle, the officers began to return fire. The gunshots fired by the decedent at the officers struck the patrol vehicle. One shot hit the front passenger door where one officer exited and the windshield in front of where the same officer had been sitting. A third shot hit the spotlight near the driver’s door where the other officer was standing after exiting the patrol vehicle. It was obvious the decedent was trying to shoot the officers in an attempt to commit capital murder. The officers were able to effectively return fire and ultimately stopped the decedent's actions. The decedent was transported to a local hospital by EMS where he was pronounced deceased at 1454 hours.
