Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

It was reported to the police that the deceased was assaulting his wife in plain view. It was also reported that the deceased threatened to kill officers and set his residence on fire. As officers began to arrive on scene the deceased fired at officers and struck a civilian by-stander. The civilian by-stander died at the scene. Officers set up a containment perimeter and notified SWAT. The deceased had set his residence on fire and took a position on his front porch using furniture as concealment. The deceased had a long gun and continued to fire randomly in the direction of officers. At some point It's believed the deceased shot himself in the head because the fire was too hot for a conscious person to tolerate and he made no attempt to move away from the fire. The SWAT officer fired (2) two rounds at the deceased's lower extremities (to neutralize the threat) which is all he had access to and it did not provoke a response. It is believed he was deceased prior to the officers actions. The deceased was burned beyond recognition and was later identified by dental records.
