Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Officer responded to a call for assistance from the mother of the deceased. The mother advised that her son was threatening to commit suicide and believed the son may also kill her. Upon the arrival of the officers, the male entered his home from the driveway. The mother advised her son was now armed with a rifle and a bullet proof vest. She stated that her son threatened to engage in a shoot out with officers and that he planned to die that night. SWAT officers and Hostage Negotiators were called to the scene. They established

contact with the male over the phone in an attempt to have the male come out of the home peacefully. The male fired several rounds through the front door because he believed the officer was standing at the front door. The negotiators continued speaking with the male and requested that he come out of the home. The male said he was coming out of the home but he was not leaving his rifle as the negotiators asked him to do several times. The male subject stated that he wanted to die and to have the SWAT officers kill him. A second negotiator took over the communication in an attempt to get the subject to peacefully exit the residence. The subject exited the residence with the rifle which was equipped with a 100 round drum magazine, and a bullet proof vest. The male was advised multiple times to drop the rifle which he refused. The male was holding the rifle in a vertical position while looking at the officers in front of him. The subject moved his hands to grip the front of the rifle and placed his finger on the trigger as he lowered the rifle into a shooting stance. The SWAT officers fired and the male was pronounced deceased on the scene.
