On arrival officers observed an unidentified black male under a parked van holding a pistol. Officers gave the subject verbal commands to drop the weapon and crawl out from underneath the van which the subject ignored. Several attempts to communicate with the subject failed and officers tased the subject twice which appeared to have no effect. The subject continued to roll underneath the vehicle displaying the weapon and Officer J. Gribbon #10116 discharged his weapon one time toward the subject. The subject began to crawl from the vehicle and officers were able to place the subject into custody. Officers attempted to provide first aid and could not find a defect on the subject. The subject appeared to be

having a medical emergency from the ingestion of an unknown substance and was transported to Baylor Hospital by DFR for medical attention.

A black handgun believed to be the subjects was recovered at the location. Dash cam video and body worn camera video was reviewed at the scene and at SIU. Witness officers provided a walk through and reported to SIU and wrote statements. The involved officer was requested to provide a walk-through, provide a blood specimen, and write a statement which was declined through his attorney at the scene. The involved officer agreed to report to SIU on Friday, May 31, 2019 to provide a written statement.

The subject did not have any identifiers on his person and is being fingerprinted at the hospital. The subject was sedated at the hospital by medical staff and could not be interviewed. The subject remains in critical condition.
