Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Officers observed the subject in a green Chevrolet truck and knew he had a felony warrant. Officers had also received information that the subject was armed with a weapon. Officers followed the subject to 111 SE 37th where the subject stopped the truck in the driveway. An Officer approached the truck and made contact with the driver, whom they knew to have a felony warrant. The officer gave the driver commands to stop and informed the driver he was under arrest. The driver put the truck in reverse and turned the wheel, steering the truck towards the officer. The officer was trapped in the opening of the doorway, between the door and the frame of the truck. The officer also noticed the driver had a pistol in a holster on his right hip. The driver began to drive in reverse, dragging the officer. When the truck made it back out to the street the officer was still trapped in the doorway. In an effort to end the threat of being killed or seriously injured by the driver

running the officer over; the officer shot the driver. Several officers provided medical attention at the scene and the driver was transported to a local hospital, where he died of his injuries. The officer was also taken to a local hospital for his injuries and later released.
