Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

At approximately 2213 hours, officers were dispatched to 5627 Culebra Road, apartment # 104 for a burglary in progress. Officers arrived at the location but were unable to speak with anyone in apartment # 104. Officers requested the dispatcher call back, but this did not yield any results. Officers did not find any signs of suspicious or criminal activity and were in the process of leaving the location when they heard a gunshot from inside the apartment. At approximately 2242 hours, the caller contacted dispatch again and reported that a "male is in the living room holding a handgun". The officers then requested more units to the location. Officers

approached the apartment and formed a perimeter. As officers were standing near the apartment, the door to apartment # 104 opened and a female with children ran out of the location screaming. Officers then observed a male through the front door holding a firearm. Officers gave commands for the male to drop the weapon, but he refused to do so. Officers entered the apartment with one officer speaking to the male in an attempt to deescalate the situation. As they were speaking with him, the male raised his right arm, pointing the firearm at them. Officers, in fear of their lives, then discharged their weapons at the male to stop the threat. The male sustained multiple gunshot wounds and was transported to the hospital where he succumbed to his injuries.
