Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 05/19/20 at approximately 1500 hours, Harris County Sheriff's Office and DPS were attempting to serve an Aggravated Robbery arrest warrant on Trevon Toney at a residence located at 21 Canyon Oak Place in Spring, Texas. On Sunday, 05/17/20, a robbery occurred at a Pizza Hut in Spring, Texas (Harris County S.O. jurisdiction) where the worker was shot twice in the chest during the commission of the robbery but was still alive. After identification was made on the one suspect, the shooter, an arrest was made and the suspect was interviewed giving the accomplice information to be Trevon Toney. HCSO retrieved an arrest warrant on Trevon Toney and found a good address to be the Canyon Oak Place location where he was staying with a friend and his family. HCSO and DPS arrived near the location and began to set up perimeter and take locations getting ready to make entry and affect the arrest. The other occupants of the house had just left the residence and were stopped on a traffic stop. The traffic stop resulted in the information that Trevon was in the house alone with the owner's one year old grandson. Officers allowed the owner to go back inside the house and remove the child for safety reasons. The owner then left the residence leaving Trevon alone in the house. As HCSO approached the house from the rear and took position, a unit posted near the front corner of the house that would be the outside wall of the kitchen when he heard what he believed to be a single gun shot. The officer called out to all units about the gun shot and all units held their position. No contact had been made or attempted to be made with Trevon nor had entry been made into the house. HCSO contacted Montgomery County Sheriff's Office to advise them of the situation to which MCSO SWAT responded, made entry into the house, and located Trevon inside on the kitchen floor from what appeared to be a self-inflicted gun shot wound. After the scene was secured and interviews were completed, it was found that Trevon had made several remarks to his friend stating that he was not going to prison making them believe that he was going to harm himself. Forensic Pathologist found there to be a contact wound to the temple with soot present indicative of a self-inflicted gun shot wound.
