Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On May 13, 2020, the Schleicher County Sheriff's Office contacted the Texas Department of Public Safety for assistance with an armed suspect who had barricaded himself inside a residence. The suspect, later identified as Weldon Reed Leek, had threatened his parents with a rifle after shooting multiple rounds into their vehicle. The parents, fearing for their lives, fled into an open field to hide and called 911. The sheriff's

office set up a large perimeter around the property and later located the parents in the field.

After arriving, officers attempted for several hours to contact the suspect. These efforts continued through the night. On the next day, May 14th, at approximately 8:40 a.m., Special Weapons and Tactics (SWAT) officers arrived and took control of the scene. On multiple occasions, the suspect fired at the Unmanned Aerial System (UAS) drones the officers were utilizing. The suspect later changed into tactical gear and could be seen armed with multiple high powered rifles. SWAT began to move on the roadway leading to the residence in the armored vehicle to make contact with the suspect. The suspect fired twice at the armored vehicle. Because of the threat of bodily injury or death to the team members, a precision marksman fired at the suspect, fatally injuring him.
