Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:	Yes, mark which restraint devices were used

Type of restraint

Type of Restraint:	Leg Shackles

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On June 27, 2021, 0922 Hrs., Lynn Talley Urbis was arrested by the Round Rock Police Department for the following: Possession of a controlled substance PG 1 >= 1G < 4G, Motion to revoke probation, Assault Family Violence.

On June 27, 2021, at 1045 Hrs., Mr. Urbis was booked into the Williamson County jail for those charges.

On July 26, 2021, at 1015 Hrs., Mr. Urbis was transported to St. David’s Georgetown hospital, 2000 Scenic Dr., Georgetown, TX 78626, by Georgetown EMS after having difficulty breathing and testing positive for Covid 19.

On July 31, 2021, at approximately 2246 Hrs., Williamson County Sheriff’s Office personnel received notification that Mr. Urbis died in room 241-B at St. David’s Georgetown hospital. Williamson County Corrections Deputy Worthy Simpson was guarding Mr. Urbis at the hospital and was present during his death.

After receiving notification of the above, Williamson County Sheriff's Office Detective Kevin Willis and Georgetown Police Department Detective Ruben Vasquez responded to the hospital to investigate this in-custody death. Detective Vasquez was the lead investigator with Detective Willis conducting a parallel inquiry.

On July 31, 2021, at approximately 2043 Hrs., while in room 241-B at St. David's Georgetown, Mr. Urbis was again having difficulty breathing and was coughing uncontrollably. An oxygen mask was put on Mr. Urbis by his nurse, and she was giving him breathing treatments to help relieve these symptoms. During the treatments, Mr. Urbis was anxious and unable to remain calm which prompted his nurse to leave the room to retrieve medication (Xanax) to help calm him. After the nurse left the room, Mr. Urbis complained to Deputy Simpson about his breathing difficulties and then he removed the oxygen mask from his face. Deputy Simpson told Mr. Urbis that his nurse would be right back, and he needed to try and calm down. Mr. Urbis then pressed the call button that summons nursing staff to his room and at approximately 2051 Hrs., his nurse returned. She attempted to dispense the medication to Mr. Urbis, but he didn't respond to his name nor when she shook his shoulder. The nurse then checked for a pulse on Mr. Urbis and immediately started chest compressions when she could not find one. The nurse called "CODE" and several nurses and doctors responded to the room and alternated performing CPR on Mr. Urbis.

Life saving measures were not successful and ceased at 2123 Hrs. The attending physician, Dr. Harlan Goode, pronounced Mr. Lynn deceased at that time.

Williamson County Pct. 1 Justice of the Peace, KT Musselman, was notified and ordered an autopsy.
Hill County Forensics, 2334 Rockride Ln. Bldg. 1, Georgetown, TX 78626 was used for this examination and was performed by Dr. Satish Chundru on August 4, 2021, 0800 Hrs.

Final autopsy results:
Cause of Death: Pulmonary Thromboemboli, due to: Phlebothrombosis

Manner of Death: Natural
