Officers were dispatched to the 400 block of W Gutierrez St. in Del Rio, Texas to investigate a report of a female waking with a gun. Officers were told that the female attempted to steal an item from a residence and had also attempted to force entry into the home of the caller. Officers arrived and were immediately pointed in the direction of travel where the female was seen walking, officers encountered the female in an armed confrontation at the intersection of the 300 block of Eduardo St., Del Rio, Texas where the female was holding a rifle. The female would not obey the lead officer's commands to drop her weapon and began walking towards the officer from behind a concrete slab while lifting the rifle and advancing towards officers.

Three officers discharged their respective weapons and then immediately rushed to the female and began administering medical assistance once the weapon was secure and the female no longer had control of he rifle. The female was then treated by Val Verde EMS, and Del Rio Fire Dept., and transported to the Val Verde Regional Medical Center and later Air-lifted to University Hospital in San Antonio, Texas. She remained at that location until her passing on April 13, 2021 and then transferred to the Bexar County Medical Examiner's Officer for a follow-up investigation into her death.
