Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Officers responded to a disturbance call at the Super 8 Hotel (south side) in Abilene, Tx. There was an open line call to 911 where an argument could be overheard and a male stating that he wasn't going back to jail. Once the room the disturbance was located in was determined, officers approached. Upon arrival at the door the male inside asked who was outside, to which the officers replied they were the police and the door needed to be opened. The male inside was not compliant. They could then hear a physical struggle going on in the hotel room and the officers forced entry.

Upon entry, they observed a black male subject attempting to stab a white female in the neck with a small metal scrench. She was bleeding profusely and had upwards of 10+ stab wounds on her body. The suspect retreated, staying behind a bed, and ultimately got on top of it. The officers gave verbal commands and the suspect waved the scrench in a threatening manner. As one officer attempted to use his taser on the suspect the suspect began to lunge across the bed he was standing on towards the officers. One officer fired three rounds at the suspect with his firearm, striking the suspect and ultimately killing him.
