During the stop, Officers developed probable cause that the driver and two female occupants of the vehicle were in possession of controlled substances. A male passenger was found in possession of marijuana and a pistol. He was later determined to be a convicted felon and was charged with felon in possession of a firearm.

Ms. Cabell and the three occupants of her vehicle were arrested and handcuffed. Ms. Cabell was placed in the back, passenger seat of patrol vehicle. A few minutes later, one of the Officers heard Ms. Cabell coughing and noticed that she was breathing heavily. He asked if she was okay, but Ms. Cabell did not answer. The other arrestee seating in backseat with Ms. Cabell replied that she (Cabell) was claustrophobic. The police officer opened the back door of the patrol car to check on Ms. Cabell. At approximately 17:19 hours, the police officer contact dispatch by radio and requested the Irving Fire Department (IFD) and EMS to respond to the location to check on Ms. Cabell. The police officer stood next to the open door of the patrol car monitoring Cabell while he awaited IFD response.

At approximately 17:26 hours, IFD arrived and began assessing Ms. Cabell. They determined that she was having a medical emergency and transported her by ambulance to Las Colinas Medical Center ER (LCMC). Due to Ms. Cabell's need for medical care, she was released from police custody. Officers checked with LCMC staff later in the evening and were informed that Ms. Cabell had been stabilized.

On August 15, 2022, Ms. Lexus Cabell (Daughter to Misty Cabell) called Irving Police Dispatch and requested to speak to a supervisor. She informed the Irving Police Supervisor that her mom (Misty Cabell) was being placed in hospice care and would likely not survive. An investigator with the Irving Police Department contacted LCMC the following day and learned that Misty Cabell had passed away on August 16, 2022 at approximately 18:59 hours.
