Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Officers responded to a family member of Nathan Jones' residence, reference him sending some concerning text messages. The messages were vaguely threatening in nature, although no specific threat was made to anyone. While officers were on scene, Nathan Jones began texting the family that he knew officers were on scene and was going to commit suicide. It was believed Nathan Jones was in the alley behind the residence, or in the area on foot. It was also believed that Nathan Jones was armed with a firearm.

Officers located Nathan Jones on foot in an alley a short distance away from the residence. The first officer approached Nathan Jones in his patrol car, and observed him to match the description provided by the family. As the first officer got out of his car to make contact with Nathan Jones, he ordered him to stop walking away. Nathan Jones then pulled a firearm and shot himself in the head after the officer had given him several commands. At the time of the incident, officers were attempting to detain Jones.
