Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

The deceased was involved in a Deadly Conduct in Hebbronville, TX., Jim Hogg County. He was stopped by deputies from that county and when they attempted to detain him he fled in a vehicle driving in excess of 100 mph through Jim Hogg County, Duval County and into Jim Wells County where he was spiked and his vehicle came to rest in the City of Alice on Front and Kempe Streets. The suspect then fled on foot where officers followed and he first eluded with weapon in hand. As he eluded he used different items to provide cover for

himself while pointing the weapon at several officers. The officers continued to follow the suspect as he walked down the street for over two miles as he would point the weapon at officers following him. One officer continuously tried to build a rapport and asked him many many times to drop the weapon but the suspect continued. As he continued onto Commerce Road in Alice, Texas the suspect soon turned around and began to walk backwards facing the officers. He constantly raised the weapon at officers and a few times threated to use the weapon. At one point he raised it and pointed it toward officers who took it as a threat and fired at the suspect. The suspect was checked by medical personnel, who were on standby, and found to be deceased. The incident took over an hour and stretched over two miles of terrain.
