Under Restraint:	Yes, mark which restraint devices were used

Type of restraint

Type of Restraint:	Leg Shackles

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Death of Tarrant County Inmate Alvie Johnson (B/M 07-17-1947 TCSO CID# 0025733 SS# 426-92-0428 TX DL# 08234458) on Monday, January 3, 2022 at 5:00 pm. Johnson was brought to the Tarrant County Jail by the Fort Worth Police Department on January 3, 2020 for a charge of Murder. On Saturday, January 1, 2022, Johnson was housed in the Lon Evans Correction Center (LECC), 74-4-05. At 12:28 am that day, a medical code was called for Johnson when he was found to have a head injury and was not conscious, possibly from a ground level fall. Medical staff in the jail determined that Johnson needed to be transferred to John Peter Smith Hospital (JPSH). Johnson was transferred by MEDSTAR Ambulance Service to JPSH at 1:34 am.

I was contacted by jail supervision on Monday, January 3, 2022, at 3:50 pm, who advised that Johnson was going to be taken off life support in the next hour and would likely die in the next 24 hours. Johnson was pronounced deceased by Dr. Julie Carroll on Monday, January 3, 2022 at 5:00 pm. I spoke to the charge nurse for Johnson who advised that he had a right occipital lobe fracture to his skull and a subdural hematoma. After reviewing his jail records, Johnson was shown to suffer from Asthma, High Blood Pressure, and Diabetes. I spoke to Tarrant County Medical Examiner (TCME) Investigator J. Ward. Investigator Ward advised the TCME would be conducting an autopsy (22-00176). The primary detective for TCSO is Ramon

Garcia, service number 2022-00002. The secondary investigating agency will be the Fort Worth Police Department Major Case Unit supervised by Sergeant John Phillips.
