Attempt gain possession officer's weapon:	No		

Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:	No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 10/16/2023 at approximately 1250hrs who were notified that a group of people crossed the United States/ Mexican Border illegally in the area of Santa Teresa NM. Further information was disseminated that a black SUV arrived in the area and picked up the people that had just crossed into the United States. Agents

assigned to the Anti-smuggling Unit, dressed in plain clothes with unmarked vehicles, began to surveil the black SUV. The agents maintained mobile surveillance and observed the black SUV cross into Texas from New Mexico. The Agents called out using their radios for assistance with a traffic stop from near-by Texas DPS Troopers. The black SUV drove to the Speedway gas station location at 4990 Doniphan. The vehicle parked near the fuel pumps, the driver exited the vehicle and walked into the convenience store. The plain clothes Border Patrol Agents approached the driver of the vehicle and identified themselves? while he was inside the store. When the Agents made contact the driver of the vehicle displayed a handgun, pointing it at the Agents. The Agents took a position of cover outside the store and called for uniformed presence from other Border Patrol Agents and other Texas DPS Troopers.

A perimeter was set and the El Paso Police Department responded with SWAT and CMT (Negotiators). Swat Personnel took over the perimeter and CMT began negotiations with the subject inside. The store employee was still inside the convenience store and was allowed to leave the store. The subject inside made several calls to 911 using his cell phone and to other people by using the store's landline phone. The subject also posted to social media, Facebook, stating he was sorry and was not going back to jail. After several hours of negotiating a plan to use less than lethal gas munitions was put in place and carried out. As a result the subject exited the store pointing his hand gun at the EPPD Officers and Border Patrol Agents that were holding perimeter. An EPPD Swat Officer observed the subject pointing the handgun at the other Officers and in an effort to stop the threat shot the subject with his department issued rifle in .223cal. Once the threat was eliminated medical assistance was called to assist the subject and he was transported by FMS to University Medical Center where he was pronounced dead.
