Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

SAPD officers were dispatched to the location for a suspicious person with a gun. During this dispatching, several 911 calls were received stating gunshots were heard and a male was walking in the street holding a

firearm. As the officers arrived on scene, citizens pointed in the direction of the suspect and stated he was “down there”. The officers could hear an audible disturbance so they began to run down the street toward the disturbance. As officers neared the disturbance a witness pointed toward the suspect and stated the man had a gun and was shooting at his house. The officers then observed the suspect with a gun in his hand standing next to another male. The officers immediately gave verbal commands to the suspect to drop the firearm. The suspect then raised the firearm and pointed it towards the officers. Fearing for their safety and the safety of others, both officers on scene discharged their firearms and struck the suspect multiple times. Officers secured the suspect and began life saving measures. Medical personnel arrived on scene and transported the suspect to a local hospital where he was ultimately succumbed to his injuries and was pronounced deceased.
