Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Decedent was arrested on two outstanding felony probation violation warrants issued out of the Dallas County Sheriff's office. Decedent was placed in a common (6) person holding cell to await Dallas County's arrival for transport to the Dallas County jail. The physical arrest, book-in and placement into the holding cell were all completely uneventful, no indication(s) given or perceived that would indicate the decedent had suicidal thoughts or intentions. At the beginning of shift change physical jail inspections were conducted and that is when the decedent was discovered. The decedent had taken his issued blanket and tied it to a two person bunk and tied the other end of the blanket around his neck and leaned forward which apparently cut off his blood and oxygen supply ultimately causing his death.
