Attempt gain possession officer's weapon:	No		

Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:	No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On December 3, 2024, a uniformed SAPD officer attempted a pedestrian stop to speak with the decedent. The decedent fled on foot from the officer, which prompted other officers to respond and assist. The decedent fled on foot until he came to a culvert; at this time, the decedent produced a firearm. The officer who was pursuing the decedent, fearing for his safety and the safety of others nearby, discharged his firearm several times at the decedent. It appeared the officer missed, and the decedent began to flee again and the officer continued to pursue. The decedent, for a second time, stopped again in the culvert and the officer and other assisting officers gave commands to drop his weapon. The decedent made a furtive movement, prompting the officer to again fear for his safety and fire several times at the decedent. Nearly simultaneously, as the officer was firing, the decedent appeared to have committed suicide by discharging his firearm toward his head, which caused the decedent to fall to the ground. Officers approached the decedent, secured the weapon, and began administering aid. EMS arrived and pronounced the decedent at the scene.
