Under Restraint:	Yes, mark which restraint devices were used

Type of restraint

Type of Restraint:	Handcuffs

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 12/15/2024, San Antonio Police officers were dispatched to 2119 NE Loop 410 for a male, the decedent, walking into traffic and trying to open car doors. When the first officer arrived, he encountered the decedent standing on the overpass of Loop 410. The officer approached the decedent while asking him questions and asking him to exit the busy roadway. The decedent turned and walked away from the officer, still on the busy overpass. The officer told the decedent that he was not in trouble but needed to get off the roadway. The decedent continued to walk away from the officer. Fearing for the decedent’s safety, the officer caught up to the decedent and attempted to detain him. A struggle ensued and the decedent punched the officer in the face. The decedent also tried to grab the officer’s service weapon. The officer then deployed his Taser to get the decedent safely in custody and off the roadway. As this was occurring, additional officers arrived, and the

decedent was placed in handcuffs after a brief struggle. Shortly after being handcuffed, the decedent stopped breathing. Officers then administered emergency first aid and requested EMS. EMS transported the decedent to the hospital, where he was later pronounced deceased.
