Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

A Montgomery County Sheriff's Deputy observed a vehicle driving south on the Interstate 45 SB feeder Rd and strike the outside curb. The vehicle then swerved across three lanes and almost struck the inside curb. The Deputy activated his emergency lights and began pursuing the vehicle south on the feeder road as the vehicle continued to swerve across all three lanes. The vehicle almost struck another vehicle driving south in the outside lane as it continued to fail to yield to the Deputy's emergency equipment. The vehicle finally came to a stop when its path forward was blocked by a Fire Department ladder truck blocking all three southbound lanes due to another crash being worked in the area. As the Deputy began to exit his vehicle to conduct his traffic stop, the driver of the fleeing vehicle reversed his car into the front of the deputy's vehicle, throwing it backward and causing the open door of the patrol vehicle to strike the deputy and cause him to fall to his knees on the roadway. The deputy got back on his feet as the vehicle began to move forward and the deputy discharged his firearm at the vehicle. Another deputy who responded on foot from the crash being worked nearby arrived as the suspect vehicle collided with the patrol vehicle, causing the primary deputy to be thrown to the ground. This second deputy began yelling verbal commands to gain compliance and also fired at the suspect vehicle once the primary deputy began firing. The suspect was removed from the vehicle and first aid was provided until MCHD EMS personnel arrived and transported the suspect to an area hospital. He was later pronounced deceased in the hospital due to his multiple gunshot wounds.
