Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 4/20/24 at approximately 1820 hours, San Antonio Police Officers responded to the 8600 block of Cheviot Heights for a major accident: motor vehicle / pedestrian (SAPD24086910). The responding officer’s investigation revealed the situation wasn’t an accident, rather it was an intentional act of aggravated assault with a deadly weapon. A warrant for such was requested and granted for the decedent. On 4/21/24 at approximately 0028 hours, San Antonio Police received a call stating the male from the earlier assault was back at the location, parked in his driveway, and honking his horn. Responding officers to this call observed

the vehicle which was used as the weapon in the earlier assault call and went to contact the driver, the decedent. Officers knocked on the window to get the decedent's attention, however, the decedent reversed his vehicle and struck a parked patrol car. The decedent then accelerated forward and appeared to have intentionally struck an officer. The decedent then appeared to intentionally strike a second officer with his car. The first officer, fearing for his safety and the safety the other officer, engaged the decedent with gun fire to stop the decedent's deadly course of conduct. The decedent was struck multiple times. The decedent was removed from the driver's seat and emergency medical assistance was given while waiting for EMS. EMS would ultimately pronounce the decedent at the scene.
