Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On January 13th at approximately 0215 hours, officers were conducting a traffic in the 8200 Block of Marbach. During this traffic stop, the front passenger fired a handgun at an officer standing outside the vehicle. The officer suffered a gunshot wound and the suspect fled the scene and was not apprehended at that time. Through investigation, the decedent was identified as the actor in the attempted capital murder of the police officer. An arrest warrant was obtained for the decedent and the decedent was located at the listed location. Due to the decedent’s capacity for violence, the Special Operations Unit was requested to serve the arrest warrant. The location was surrounded and communication attempts were made to have the decedent exit the location. Shortly after commands to exit were given via loud speaker, the decedent fired several gunshots towards the officers from inside the residence. Chemical irritants were deployed into the residence in an effort to incapacitate the decedent and stop the deadly conduct. Eventually, entry was made into the location and decedent was found to be the sole occupant. The decedent was declared deceased from an apparent self-inflicted gunshot wound.
