Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 01/25/2025, at about 0201 hours, the Bexar County Sheriff's Office (BCSO) responded to a call for service involving a disturbance/shots heard in the area of Walzem Road and Eisenhauer Road. At about the same time, the San Antonio Police Department (SAPD) were responding to a shooting in progress, which was located in about the same vicinity.

A BCSO deputy, who was in the aforementioned area, heard multiple gunshots coming from a residential area across the street from the BCSO deputy's location. While the BCSO deputy was driving toward Woodlake Parkway, the BCSO deputy observed a silver-colored vehicle driving at a high rate of speed; according to the deputy, the vehicle was driving away from the origin of the gunshots. The BCSO deputy began to follow the silver-colored vehicle with the intent to initiate a traffic stop on the silver-colored vehicle. The BCSO deputy was informed by a dispatcher with the BCSO Public Safety and Communications Division that the SAPD was responding to a shooting in progress in the area Woodlake Parkway (near the location of the BCSO call). As the BCSO deputy continued to follow the silver colored-vehicle, other BCSO deputies responded to the area as well.

The BCSO deputy (full uniform and driving a marked patrol vehicle) subsequently initiated a traffic stop (emergency lights) on the driver of the silver-colored vehicle--the stop was initiated at about the 6000 block of Walzem Road (heading north). At about this point, other BCSO deputies had arrived to assist with the traffic stop of the silver-colored vehicle. The driver of the silver-colored vehicle slowed down, pulled into a business parking lot, but did not come to a stop so in turn the BCSO deputy activated the siren on the marked patrol vehicle. The driver of the silver-colored vehicle then exited the business parking lot, briefly traveled north on Walzem Road, ran a red light, and turned west onto Walzem Road. The driver of the silver-colored vehicle continued to travel west on Walzem Road, driving recklessly, and evaded arrest at a high rate of speed. As the driver of the silver-colored vehicle, and BCSO deputies, approached the intersection of Walzem Road and Interstate 35, the driver of the silver-colored vehicle attempted to turn north onto Interstate 35 access road. The driver of the silver=color vehicle struck a traffic pole and came to rest. A male exited the front passenger side of the silver-colored vehicle and fled from BCSO deputies on foot; after a brief foot pursuit the passenger was apprehended. The driver (a female) of the silver-colored vehicle had been ejected from the vehicle, was

obviously deceased, and was later officially pronounced deceased at about 0328 hours. Thereafter, the BCSO was advised the SAPD call for service (above) was actually a homicide, and the occupants of the silver-colored vehicle were potential suspects in the homicide.
