Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On March 16, 2025, a San Antonio Police officer attempted a traffic stop near Loop 410 at Vance Jackson. The driver, the decedent, drove away from the officer, eventually exiting the freeway and parking at a

convenience store. Shortly after, the officer observed the vehicle and pulled behind it. The decedent exited his vehicle, dropped a backpack, and ran on foot from the officer. The officer pursued the decedent; however, the decedent jumped a fence, and the officer lost sight of him. The officer began searching for the decedent. The officer then observed the decedent standing on a fence, attempting to jump onto the roof of a nearby house. As the officer approached the decedent, the decedent fell into the side yard of a residence. The officer used his taser to subdue the decedent; however, the taser did not affect the decedent. The decedent disobeyed officer commands and shoved a weight scale toward the officer. The officer observed the decedent to have a knife on his hip and the officer transitioned to his firearm. In doing so, the officer dropped his taser. The officer backed away from the decedent to create distance. As the decedent approached the officer, the decedent retrieved the taser that the officer had dropped. The officer continued to backpedal; however, he tripped and fell. The decedent moved toward the officer holding the taser. Fearing for his safety, the officer discharged his weapon several times at the decedent. The decedent was struck and fell to the ground. Emergency medical aid was provided to the decedent; however, he would succumb to his injuries and later be pronounced deceased.
