Summary:

On August 28, 2025, at approximately 09:20 hours, RRPD Communications was notified of a subject acting erratically in the area of the 2200 block of High Country Blvd. The caller was a family member who suspected the subject was under the influence of drugs and was observed running in the street and impeding traffic. Officers and emergency medical personnel arrived at approximately the same time and located the subject lying in the grass immediately adjacent to a public roadway. The subject refused to be evaluated by EMS, and officers took him into custody for Public Intoxication. The subject was handcuffed for approximately 47 seconds when officers observed the subject was unresponsive. The officers immediately removed handcuffs, and the subject was transferred into EMS custody due to EMS still being on scene. The subject was transported to the hospital, where he was pronounced deceased shortly after arrival. An autopsy has been conducted, no blunt force trauma was observed, and several possible pre-existing medical conditions were present. Final autopsy results are pending the toxicology report.

March 2026
Final autopsy reports have been received and data in the report has been updated to reflect the findings.
