Attempt gain possession officer's weapon:	No		

Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:	No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On October 15, 2025, San Antonio Police Department (SAPD) officers were dispatched to 6861 US Hwy 90 in response to a 911 open-line call. The initial report indicated that a female caller had whispered “needs police” before leaving the line open. An SAPD officer already near the location arrived before the dispatched units.

Upon arrival, the officer observed a male individual—later identified as the decedent—walking along the second-floor walkway of the motel. The officer initiated contact with the individual to determine whether the individual was involved in the 911 call. As additional officers arrived, the initial officer asked the decedent to accompany him to the patrol vehicle so he could identify him. The decedent attempted to walk away, prompting the officer to physically detain him. During the encounter, the decedent retrieved a handgun from his waistband. A struggle ensued between the decedent and the initial officer. The decedent fired at the second arriving officer, narrowly missing him. In response, the second officer discharged his weapon to stop the threat. The decedent and the initial officer fell to the ground, during which the decedent continued firing indiscriminately, striking the initial officer in the right arm. The injured officer disengaged and sought cover. The decedent then directed gunfire toward the second officer, who, along with another officer who had arrived on scene, returned fire to neutralize the threat. During the exchange, the second officer was also shot in the right arm. The decedent was struck multiple times and ceased firing. Additional officers arrived on scene and rendered emergency aid to both injured officers and the decedent. Emergency Medical Services (EMS) responded and pronounced the decedent deceased at the scene. Both officers were transported to a local hospital for treatment.
