Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On February 24, 2026 at approximately 5:45 AM, I, Lieutenant Ryan Simpson #D8580 and other deputies of the Montgomery County Precinct 5 Constable’s Office ("Pct. 5"), assisted the Texas Department of Public Safety Criminal Investigations Division (and other outer agencies) with the service of a narcotics search warrant at 189 Dogwood Drive in Magnolia, Waller County, TX 77355 ("the operational location"). The deputies of the Pct. 5 Constable's Office were assigned to make initial contact and entry, and to secure the scene for search and investigation.

On February 24, 2026 at approximately 5:45 AM, a safety briefing was hosted at 19100 Unity Park Drive in Magnolia, Montgomery County, TX. After all units were advised of safety considerations and provided access to the valid warrant (signed by Waller County 506th Judicial District Court Judge Brent A. Huffman on February 20, 2026 at 4:35 PM for the search of the operational location).

At approximately 6:22 AM, all operational units arrived at operational location. All deputies who were assigned to make initial contact and entry at the operational location were wearing agency issued uniforms with law enforcement identifiers prominently displayed. As deputies approached the structures at the location, a patrol vehicle prominently displaying Montgomery County Pct. 5 Constable identifiers, with emergency lighting equipment activated, arrived at the property and announced loudly that police were entering the property

under the authority of a search warrant.

Deputies detained an individual outside of the main structure before making entry into the main structure (a mobile home). Forced entry was not used to enter the main structure, as the main entry door was unlocked. Deputies verbally announced their presence multiple times upon entry. Upon entering the main structure, multiple individuals were detained in a large central room.

As deputies continued to clear the structure and announce the presence of law enforcement, they found a closed door. Deputies opened the door and observed a female individual seated on bed with her feet on the floor. Deputies immediately recognized that the female was holding a shotgun with the barrel in her mouth and her finger on the trigger. Deputies gave instructions for the female to set the gun down and attempted to verbally de-escalate due to concerns that the female's intent to herself was imminent. The female did remove the barrel from her mouth to state her name ("Jasmine"), but she also took actions and made statements that deputies believed to be suicidal ideations by failing to respond to deputies' questions and statements, and by making statements such as "what is there to talk about?" After a short period of time, the female stood up from the bed and walked into an adjoining bathroom. As the female entered the bathroom, deputies heard what they believed to be a firearm discharge. Deputies made entry into the room and observed that the female was laying, face-down and unresponsive in the bathroom. Deputies requested EMS for a medical emergency (an apparent self-inflicted gun shot wound). Deputies made life-saving efforts until firemen and medics arrived. Upon arrival, medics declared the female deceased (6:41 AM). All further action in furtherance of the search warrant was ceased pending the medical emergency and the related investigation.

Texas Department of Public Safety Special Agents contacted Texas Rangers to conduct the investigation and document the incident due to law enforcement activity and control of the location at the time that the female was deceased.

This report was generated and submitted at the instruction of Texas Ranger Nicolas Garcia.
