Summary:

On 06/16/2026, during a face-to-face inmate observation, jail staff generated concern for Inmate McCray due to body position and lack of verbal response. The jailer completed the observation and gathered additional staff to further investigate. Jail staff entered the cell and a medical code was immediately called at approximately 1:03pm. Additional jail staff and medical staff responded, initiating life saving measures until EMS arrived. EMS staff assessed the inmate's condition, continued life saving measures and transported him to John Peter Smith (JPS) Hospital Emergency Department via ambulance. Inmate McCray was later pronounced deceased at JPS Hospital at 2:19pm on 06/16/2026.

The Tarrant County Medical Examiner's Office was notified and took possession of Inmate McCray. The Haltom City Police Department conducted an independent investigation of the case. TCME Autopsy and Toxicology results show the death as natural due to complications from hypertensive cardiovascular disease.
