Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:

No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On November 10, 2016, at approximately 9:5pm the control pick at the PCSO Jail received a call via intercom regarding an inmate in Tank #195 that was having medical issues. The control picket advised the floor officers to respond to Tank #195 to determine what the medical issues consisted of. Three officers responded, Jailer Jenkins, Jailer Skarpa, and Jailer Wright. The officers responded with a wheel chair. Inmates in Tank #195 stated they had been working out all day long and inmate Bogany, Antwaun Tremain, was feeling dizzy, had a bad headache, and had thrown up. The officers put inmate Bogany in the wheel chair and moved him to the booking area. PCSO Medical Officer Cole was contacted and explained the issues

inmate Bogany was experiencing. Medical Officer Cole advised the officers to keep inmate Bogany on watch and if the symptoms worsened to take him to the ER. Officers checked inmate Bogany's medical information which revealed no medical history upon admittance to the PCSO Jail. Jail staff was advised to obtain inmate Bogany's blood pressure and blood sugar readings. Officers attempted to obtain a blood pressure reading but the blood pressure cuff kept reading error. Inmate Bogany's blood sugar was 165. Inmate Bogany continued to complain of a headache and dizziness and was given two Tylenol as recommended by medical staff. Inmate Bogany was placed in the violent tank for observation at approximately 10:13 pm.

On November 11, 2016, at approximately 1:43am inmate Bogany was placed in holding tank #284 and was continued on watch. At approximately 8:49am PCSO Medical Officers entered tank #284 to speak to inmate Bogany. At that time PCSO Medical Officers determined inmate Bogany was in distress and summoned EMS to evaluate inmate Bogany. At approximately 9:05am EMS arrived at the PCSO Jail, evaluated inmate Bogany and transported him to the CHI St. Luke's emergency room. Numerous tests were run on inmate Bogany and it was determined he had a bleeder at the base of his skull. At this time arrangements were made to transfer inmate Bogany by life flight to Kingwood Medical Center.

On November 11, 2016, at approximately 1:30 pm inmate Bogany arrived at Kingwood Medical Center. The neurosurgeon had planned to perform brain surgery on inmate Bogany but it was determined inmate Bogany was brain dead.

On November 11, 2016 at approximately 9:51pm inmate Bogany was pronounced dead. The Harris County Medical Examiner's Office was contacted and they took charge of the body. Pathology report is pending at this time.
